

Create Loving Memories your kids can access forever!

Our mission is to inspire parents to share the love they have for their children using the power of their voices, the strength of their words and their innate ability to capture beauty in motion.

- ▶ Amazing Baby App is a secure, easy to use app where parents/grandparents and loved ones can leave messages for the amazing babies in their lives.
- ▶ Messages can be accessed now or in the future by your kids. You can also specify a date & time a message can be accessed within the app. Example: Send your kid a birthday message to be delivered in 2030.

- ▶ **Features:** Your kids can access secure messages you create for them anytime. Create messages in the following format:

Videos

Audio

Pictures

Texts

- ▶ **Install:** Visit your mobile app store and search for "Amazing Baby App" to install our free app.
